

CFI Open Forum: Got Weather? Plus NextGen and you. ALL pilots & Students Welcome

What percentage of total accidents were caused by weather? What are the top three weather conditions which were a cause or factor in a weather related accident? Here's a sobering statistic: in 41% of weather related mishaps, the pilot DID NOT obtain an adequate weather briefing. How alternatives can and will save your life in a weather situation. Bottom line: ALWAYS have an out. Plus, an overview of how the sweeping changes in the NextGen systems will affect General Aviation.

Directions: Kona International Airport Administration Department Training Room

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
